

Ganz, creator of Webkinz®, is proud to offer a new fundraising program for schools. Webkinz World® is a multi-award winning virtual world, where high quality plush pets come to life online. Webkinz has been enjoyed by millions of kids for over 10 years and includes over 1,000 plush and virtual pets to adopt, more than 15,000 virtual items to collect, and over 100 stimulating games and activities.

## A Unique Fundraising Opportunity

This program is a simple way for Ganz to assist your fundraising efforts. When your students' parents, friends and family make purchases at the Webkinz online store ([ganzestore.com](http://ganzestore.com)), 20% of the total purchase price will be donated directly back to your school.

Ganz will provide your school with a unique promo code that can be used when making purchases. All purchases\* made at the Webkinz online store are eligible! As long as a valid promo code is provided, every purchase counts towards your fundraising goals!

## Getting Started

Participation is simple. Have your school sign a fundraising agreement with our affiliate provider and we will provide:

- Promo Code - unique to your school
- Flyers - both printed and digital for emailing
- Printable Activity Sheets
- A guide to using Webkinz in the classroom
